---

March 3, 2023

Thank you for attending the ACWHE 2023 Conference: Leading Change in Higher Education. We are so glad you are here!

It is ACWHE's aim to foster a network of support during this year and years to come. We look forward to the bright future for women in higher education.

Our organization is at a crossroads where we are set for growth and expansion - and we have a place for you to get involved! If you would like to share your gifts and knowledge with other women in higher education in the State of Arkansas, reach out to [info@acwhe.org](mailto:info@acwhe.org) to find how you can get started.

Sincerely,

ACWHE Executive Officers

# Keynote SPEAKER

---

## Dr. Amelia Parnell

is vice president for research and policy at NASPA – Student Affairs Administrators in Higher Education, where she leads many of the Association’s scholarly and advocacy-focused activities. Amelia’s policy and practitioner experiences include prior roles in association management, legislative policy analysis, internal audit, and TRIO programs.

Amelia writes and speaks frequently about topics related to student affairs, college affordability, student learning outcomes, leadership in higher education, and institutions’ use of data and analytics.

She is the author of the new book, *You Are a Data Person: Strategies for Using Analytics on Campus* and host of the new podcast, *Speaking of College*.

Amelia currently serves on the board of directors for EDUCAUSE and is an advisor to several other higher education organizations. She holds a Ph.D. in higher education from Florida State University and master’s and bachelor’s degrees in business administration from Florida A & M University.
